### **MAIN STREET BETWEEN BERRY ROAD AND MERCEDES DRIVE CONCRETE PANEL REPAIRS**

Weather permitting, Monday, September 15, 2014, A-Tech Paving, under contract with the City of Norman will begin replacing various concrete panels on Main Street. The work will begin on Main Street at Berry Road in the westbound outside lane. Upon completion of the westbound lane, work will commence in the eastbound outside lane from Mercedes Drive to Berry Road. Barricades will be placed to protect the workers and the traveling public in the construction area. Citizens are urged to use alternate routes as delays can be expected. It is anticipated to have all repairs completed on Friday, October 3, 2014.

For additional information, please contact the City of Norman project manager Greg Hall at 329-2524 or [Greg.Hall@NormanOK.gov](mailto:Greg.Hall@NormanOK.gov).
